Motivational Lecture by Dr. Janak Raj

Organized under Lecture Series "Tajurba" by Career and Placement Cell

Date: 22nd July 2025

Venue: Government College Bharmour, Chamba(H.P.)-176315

The Career and Placement Cell of Government College Bharmour organized an inspiring and interactive motivational lecture under the ongoing lecture series “**Tajurba**” on **22nd July 2025**. The session was conducted in the presence of **Dr. Janak Raj**, Hon’ble MLA of Bharmour and Pangi, and a distinguished medical professional holding **MCh, MS, and MBBS** degrees.

Dr. Janak Raj addressed an audience of approximately **150 students** and college faculty members. In his talk, he shared insightful thoughts on the **value of time, the power of hard work, and the role of consistency** in achieving success. Drawing from his own life experiences, he urged students to remain focused, disciplined, and committed to their goals. He emphasized that no dream is too big if pursued with sincerity and regular effort.

The students found his words highly motivating and appreciated the practical advice he shared, especially about the challenges and expectations in professional life. His personal anecdotes and down-to-earth approach deeply connected with the audience.

As part of his visit, **Dr. Janak Raj also toured the College Library**, where he appreciated the academic resources available for students. He encouraged the students to make full use of the library facilities to build their knowledge base and prepare for competitive exams and future careers.

The Principal, faculty members, and the Career and Placement Cell expressed their heartfelt thanks to the Hon’ble MLA for his inspiring presence. The event concluded with a formal vote of thanks and acknowledgment of his valuable time and guidance.

The session was a memorable experience for students and faculty alike and reinforced the importance of dedication, discipline, and the right guidance in a student’s academic journey.
