

The NSS Unit of Govt. College Bharmour in collaboration with Forest Department Bharmour hosted organized a comprehensive cleanliness campaign in college campus and surrounding areas to promote environmental awareness and foster a cleaner, healthier campus and community. The campaign aimed to instill a sense of responsibility among students and staff towards maintaining a clean and sustainable environment. 40 NSS volunteers and staff actively participated in the campaign, demonstrating their commitment to environmental sustainability. The enthusiasm and dedication of the participants were commendable.
